

KIRTHI LYNNE

Full Stack Web Developer

PERSONAL PROFILE

Certified as a Full Stack Web Developer. Passionate and hardworking with a penchant for new experiences and expanding my current knowledge. Interested in working with a company that develops, maintains and creates applications and services with a wealth of technologies. I am a quick learner and a lover of problem solving and logical functions. I enjoy Front-End Web Development and am often coding and writing applications in my free time in order to expand my current knowledge.
